Dear Neighbor,

My name is Keith Sellers and I am contacting you on behalf of the Holy Trinity Parent School Organization. We are putting together an Oktoberfest to raise money for our school and to build fellowship between our school, parish and the community.

Our Oktoberfest will take place on October 20, 2012. The hours will be 11am until 10:30pm. We will be serving German food, beer, wine, desserts and more. We will have an all harmonica band from 11:00 – 12:30, a DJ for the kids from 4-6, and a live German band that will play 7-10pm. We'll have activities for children from 11am – 6pm.

We're hiring an off duty Westmont police officer to maintain security, as well as we've applied for and received the proper licenses and permits to make sure that everything we're doing is legal and within the laws of the Village of Westmont and the State of Illinois.

We wanted to give you the courtesy of letting you know ahead of time what we were planning on doing, so that it would not be a surprise or inconvenience for you. We really hope that you will join us and make some new friends and maybe join some current ones.

We'd love to meet and enjoy some fun time with you. If you have any questions, you can contact myself at the number above, or you can call Father Danek at the Holy Trinity Church office.

Thank you for your time or in German, Danke.

Keith Sellers,

President - PSO
